Thanks for the email Vivian. I will follow up with BNSF regarding the request below.

Also, per our call, I have asked who our point of contact is for NTUA and CDEC. We have been working with Victoria Gastonguay at CDEC and Paula Holyan at NTUA. We will reach out again to see if they can pull information for [Ex. 6 Personal Privacy (PP)] from their current files.

Ali

Ali and Mike:

Good to hear everyone on the phone call earlier and that everyone is well. I informed the [Ex. 6 Personal Privacy (PP)] about mail coming from Inaa Baa for CDEC and NTUA. And to call me if they have any questions.

[Ex. 6 Personal Privacy (PP)] are existing customers of NTUA and CDEC. [Ex. 6 Personal Privacy (PP)] does not have an account with NTUA or CDEC. So to set up her account it probably will require deposits.

I know that I brought this issue up probably last year on one of our conference call is BNSF willing to provide:

- Boxes and tape for packing for both families.
- Conax Storage container to store items, that they want to pack in the mean time.
- Trash bin to throw items away while they are packing and preparing to move.
  - I am sure that the conax storage and trash bins can be shared by both families.

For the Contaminated Structures Program (CSP), EPA'S Contractors provide all of the above. Conax Storage and Trash bin are taken off site 30 days after the keys are turned over to the new home owner.

Thank you,

Vivian
